

LOS ALTOS

6952 EL CEDRAL

\$565,000

This spacious 4 bedroom, 3 bath home (1,962sf), is located on a large 6,240sf lot with an open, contemporary and functional floor plan with lots of upgrades. The kitchen has been remodeled with skylights, newer light oak cabinets and ceramic tile counters, a large preparation island and built in dishwasher.

The original portion of the home has 3 bedrooms, a common bath and a private 3/4 bath for the front corner bedroom. Both bathrooms have been remodeled and are in great condition. The entry, kitchen and hall way have ceramic tile flooring, while the bedrooms are carpeted.

The expanded portion of the home features a huge great room with laminate flooring, french doors, which open to a covered patio. The mastersuite has a with private 3/4 shower with stone counters and flooring, a fireplace, and French doors that open to the back yard, spa area, where there is an oversize above ground spa covered by a pergola.

Other upgrades include, a large separate inside laundry room with direct garage access and central heat and air conditioning.
